

Volunteer in Fiji: Cross borders. Build homes. Change lives.

Pacific Build 2020

SUVA, FIJI

Give a family a hand up and help create a stronger, more stable life for people with disabilities.

There are more than 120,000 people living with disabilities in Fiji. Poverty and a chronic lack of appropriate facilities means many are marginalised within their communities. Join our Global Village Program and work alongside vulnerable families to upgrade and retrofit their homes, including access points and appropriate washing facilities. No prior experience is necessary and there is a job for every fitness level.
